AGENDA POSTING REPORT

MEETING AGENDA AMENDMENTS AFTER THE MEETING HAS STARTED PROCESS

Meeting Agenda Amendment – No Final Action to Be Taken:

After the meeting has started, the Board may amend the agenda upon a motion that states: (1) the reason for the amendment; and (2) the good-faith reason the agenda item was not included in the original posted agenda. The motion should identify the item being added and its placement on the agenda. The motion shall be seconded and acted upon by the Board, and the motion and disposition shall be reflected in the minutes.

Meeting Agenda Amendment – Final Action to be Taken:

If an agenda item is added after the meeting has started, the Board may not take final action on the added item unless an emergency is declared that necessitates action at the meeting. The motion to amend the agenda shall state: (1) the reason for the amendment; and (2) the good-faith reason the agenda item was not included in the original posted agenda. If final action is to be taken, the Board must also declare the emergency and state the facts and circumstances justifying the emergency.

An **emergency** is a situation involving injury or damage to persons or property, or immediate financial loss, or the likelihood of such injury, damage, or loss when compliance with the applicable notice requirements would make notice impractical or increase the likelihood or severity of such injury, damage, or loss.
